With reference to your letter No.M.3649/Puz.123-44-2 dated 24th November 1944, I have the honor to forward herewith, a copy of the Circular issued to the Deputy Commissioners of Districts, in the matter of keeping the important temples and other Institutions, neat and tidy.

for Puzrai Commissioner
(Absent on leave.)

Cir.1/44-45 Office of the Muzrai Commissioner in Mysore,
Bangalore, 7th December 1944.

CIRCULAR.

It has come to notice, that several Muzrai Institutions in the State are not kept in proper repairs and timely action is not being taken to get them repaire The local officers do not seem to be paying sufficient attention to ~~xxx~~ keep even the important temples in good condition. With a view to see that all the temples in the State are always kept in good condition, and present a neat and tidy appearance, periodical inspections by local officers, and execution of annual repairs and whitewashing are very necessary. In respect of temples requiring large repairs, involving a heavy outlay, there ought to be a regular programme of work, extending over 3 or 4 years, according to the financial conditions of the institutions. The Deputy Commissioners are requested to see that sufficient provision is made for the annual repairs and whitewashing, in the scales of expenditure of all the Muzrai Institutions. The local officers should be instructed to see that the annual whitewashing and petty repairs are always carried out promptly and satisfactorily, and all the temples present a neat and tidy appearance always. They should also see that the temple premises are kept thoroughly clean. It is requested that special attention should be paid in the matter of keeping the famous temples at Chamarajnagar, Melkote, Nanjangud, and Seringapatam, always neat and tidy. The Peshkars of these temples should be instructed to see that the Sweeping Staff function properly and the temples and their premises are always kept neat and clean.
